

Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “verification”. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the Office of Student Financial Aid will compare your FAFSA with the information on this worksheet and with any other additional information or required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Student Financial Aid. If you have questions about verification or need assistance completing this form, contact the Office of Student Financial Aid as soon as possible so that your financial aid will not be delayed.
