Insert the following course description:

PSY6999 MS in CMHC Comprehensive Examination 0 credits

This is a non-credit requirement to pass the Master of Science in Clinical Mental Health Counseling (CMHC) comprehensive examination after completion of all CMHC courses and is a qualifying condition for graduation. PSY6999 is not a course of study but is an examination that is listed as a course number to assure documentation of successful completion. This examination also serves as preparation for taking the NCMHCE required for licensure as a Mental Health Counselor in the state of Florida.
