HISTORY OF THE UNIVERSITY: Change the fourth paragraph to the following:

An additional campus center was opened for classroom instruction in nearby Fort Myers in 1992. This campus, now located at 4501 Colonial Boulevard, Fort Myers, Florida 33966 (telephone 239-482-0019), is easily accessible from I-75, the main highway artery between Naples and Fort Myers. The University also establishes learning sites as the need arises.

ADMISSIONS REQUIREMENTS: Change the fifth paragraph to the following:

The University does not accept applicants with a felony record who are registered sexual predators or offenders into its programs of study. Other applicants with a felony record may complete a Felony Conviction Appeal Form which is reviewed by an interdepartmental panel. Once the panel has reviewed the candidate, the panel will determine the candidate's ability to move forward in the admissions process. A candidate who is denied admission may elect to appeal to the Senior Vice President of Student and Academic Services whose decision is final.

APPLICATION FOR ADMISSIONS: Change the first paragraph to the following:

After the interview process is complete, an application for admission needs to be filed with the University along with a non-refundable application fee.

Change the second paragraph to the following:

Official transcripts from all colleges or universities attended prior to applying for admission at Hodges University must be requested and sent to the University as soon as possible so that the admission process will not be delayed. It is the responsibility of the applicant to have all transcripts sent to the Registrar's Office. Application may be made at any time and applicants will be informed of their acceptance status shortly after all required information is received and the applicant's qualifications are reviewed.

Change the third paragraph to the following:

Applicants must certify completion of a standard high school diploma or its equivalent before the first date of his/her enrollment by completing a High School Certification Form. If other documents required for enrollment are not available at the time of application, students may be accepted for one term to allow time for receipt of official transcripts from each college attended, CLEP scores, certificate of completion from military schools, and other required documents. If official transcripts are received from a college or university that indicates successful completion of an associate degree with 60+ transferable credits, this degree may fulfill the requirement of a high school diploma. If all documentation is not provided prior to the student's second semester,

unless there are extreme mitigating circumstances, the student will not be permitted to continue until all documents are received and admissions requirements are met in full. Course work completed satisfactorily during the interim will count toward graduation.
