Your portrait will be included in a composite group photo based on the type of degree you are earning, i.e. an associate composite photo, a bachelor composite photo and master’s composite photo. Orders will be taken at the Graduation Fair for the composite group shots and individual portraits. Details on the following packages will also be available: Package 1 - $45.00, Package 2 - $85.00, Package 3 - $85.00, and the class composite $30.00. **Your Graduation Ceremony**

Graduation is the most significant academic event for students and the entire University community. It is the culmination of years of hard work and personal and financial sacrifice for students and families alike. The Graduation Committee has gone to great lengths to make this year’s Commencement one which will properly honor your accomplishment and provide lasting memories. The 23rd Commencement Ceremony will celebrate the traditional observances that accompany one of the highest rewards of academic achievement.

**General Information**

Please review this information carefully. Your cooperation and understanding of procedures will guarantee a smooth, enjoyable ceremony for you and your guests.

**Your Degree**

The details printed on your degree will be based on the information we have on file. All Summer and Fall 2011 diplomas may be picked up at a Graduation Fair. Winter 2012 graduates will be notified by University email as to the date your diploma will be available. It is your responsibility to make sure that the information in your file is correct. We urge all students to check their account status with the Business Office prior to Commencement. Failure to satisfy all financial obligations with the University will prevent you from receiving your diploma and/or transcripts in a timely manner.

**Graduation Fee**

The $150.00 graduate or $100.00 undergraduate graduation fee applies regardless of whether or not you attend the ceremony. Most graduates have already paid this fee. If you are unsure, please contact the Business Office.

**Virtual Rehearsal**

Basic instructions for the ceremony are listed in this booklet. The Graduation Ceremony Review document will be posted to the website by June 1, 2012. Please make sure and read this prior to attending the graduation ceremony. This review takes the place of a formal rehearsal.

Parking

There is ample parking available at Germain Arena in the surrounding parking lots. There is no charge for parking.

Attendance, Tickets & Guest Seating

Attendance is not a problem due to the size of Germain Arena. Although it is traditional to graduate by attending the Commencement Ceremony, there may be circumstances that
prevent you from attending. If you have completed all graduation requirements but are unable to attend, you are still considered a member of the graduating class of 2012.

The IT department of Hodges University will have a live video broadcast of the graduation ceremony. You may access the live video at http://hodgeslive.wimba.com/launcher.cgi?room=HU_2012. The live broadcast will also be available for purchase after the ceremony.

Every graduate may reserve as many tickets as needed. Tickets can be picked up at any of the Graduation Fairs listed on page three. As a graduate, you do NOT need a ticket. Guests with tickets should arrive between 3:00 and 4:00 PM. Please note that baby strollers, balloons, and flowers are not allowed in the arena. A special stroller check-in will be staffed and will be noted on the Guest Seating page of the Graduation Ceremony Review. Balloons and flowers are kept at the main desk and may be picked up after the ceremony.

Please visit https://www.formstack.com/forms/hu-graduation_information and provide us information such as: if you plan to attend the ceremony, how to pronounce your name, if you would like to order a DVD of the commencement ceremony, and how many tickets you would like for your guests. We ask that you complete this form by April 25 so that your tickets will be ready for pick up at the May Graduation Fairs.

**Arrival and Assembly**

If you have not yet had your individual picture taken, plan to arrive at 1:00 P.M.; otherwise, plan to arrive at 2:00 P.M. for a review of the ceremony instructions. Graduates may enter through the East entrance. Families and friends should enter Germain Arena through the South entrance. If you are arriving with your family or friends, they can drop you off and visit Miromar Outlet next door until the doors open for guests.

Each graduate will pick-up his/her name card behind the stage. This card should be carried by you until it is given to the announcer before crossing the stage. The name card is prepared from information provided to HU from the Intent to Graduate Form. Graduates will be assigned a seat number in either Section 115, 116, or 117 alphabetically by program. Please note that to get to your seat, you must walk up stairs. The card will have your seat listed in the upper right hand corner. Be sure you have your name card with you before you begin the procession.

**Academic Attire**

You are expected to wear the full academic dress (cap, gown & honor cord or master's hood, if applicable). Graduates will put on their caps and gowns prior to rehearsal. Staff will be available to help. Please leave all valuables and personal items with family, friends or guests. Attire traditionally worn with the gown:

- Men -- dress shirt with collar, dark slacks, plain dark tie, and black shoes.
• Women -- dark dress, or skirt or pants and blouse, with black, closed-toed shoes. Flip-flops, tennis shoes, and white shoes should not be worn. Please refer to the posted flyer labeled: THE GRAD, How to be a picture perfect graduate.

How To Wear Academic Dress

The gown should be worn straight. If need be, please press your gowns with a cool iron. The tassel is to hang on the front right side of the cap. Graduates should be careful not to let the tassel interfere while photographs are being taken. If applicable, honor cords should be worn around the neck with tassels hanging down from each side. Honor cords will be distributed according to University policy: gold for summa cum laude, burgundy for magna cum laude, and silver for cum laude. Staff will be available to help with master's hoods.

Photographs During The Ceremony

To maintain the solemnity of the Ceremony, no one will be allowed onto the main floor to take photographs. Photographs may be taken by family and friends from the seating areas.

A professional photographer has been retained to take no obligation photos of each graduate. One shot will be shaking the President’s hand and the other will be in front of two flags. These photos will be made available by Grad Images, who will contact you directly at your University email address (or address listed on your name card) and give you the opportunity to purchase photos taken at graduation. Refer to flyer posted for more information. Estimated cost for a 5x7 print is $7.95 plus postage and handling. More information can be found on their website www.gradimages.com.

Student Speaker

The student speaker for the graduation ceremony is selected by the Graduation Committee. To be considered for this honor, you must meet the following requirements: 1) be receiving a baccalaureate degree, 2) have an institutional cumulative grade point average of 3.90 or higher, 3) be recommended by your school. All students who meet these requirements will have an information packet and application form mailed from Dr. Brooks. If you do not receive this information soon and would like to be considered for this honor, please call Dr. Brooks in Naples at (239) 513-1122 or (800) 466-8017 or email at mbrooks@hodges.edu.

The Graduation Ceremony

Graduation programs will be distributed to the guests as they enter Germain Arena. The program will list all graduates by program and list the order of exercises. The ceremony will begin with the Grand Marshal, followed by the faculty, graduates, and honored guests. Students will be seated by program alphabetically in the following order: master’s, bachelor, and associate candidates. Specific instructions on how to enter the main floor
will be given in the Graduation Ceremony Review, to be posted online by June 1. Graduates will enter the main floor down one side of the arena and will exit the other side so guests will have an opportunity to take photos no matter where they may be seated.

At a designated time, graduates will be asked to stand and will be invited individually to the stage to receive a diploma cover. Ushers will escort you to the stage in a systematic, orderly fashion. Once you reach the platform, present your individual name card to the announcer. As your name is read, proceed across the stage where you will be handed a diploma cover and greet the President and University Officials. Then, proceed down the ramp and promptly return to your seat as directed by a faculty member and be seated.

The academic formalities conclude with the benediction. Graduates are to stand as the honored guests leave the hall. You will then follow the faculty out of the auditorium. Do not leave the floor until directed to do so by a staff usher. Please advise your guests not to leave the Arena until the graduates have exited. Suggested family and friends meeting locations will be listed in the Graduation Ceremony Review document.

**Appropriate Conduct**

The University makes every attempt to plan and conduct a meaningful, dignified ceremony. The recognition of your academic achievements should be observed with respect. Disorderly conduct, rowdiness, or the presence of alcohol or drugs will be grounds for immediate removal and may result in your diploma being retained by the University.

Graduates are advised to use the restroom facilities prior to the start of the ceremony, as you will not be permitted to leave your seats once the Ceremony begins. Graduates are required to remain seated throughout the program. Parents, family, and friends are encouraged to follow this example, as leaving the Ceremony demonstrates extreme disrespect to all in attendance.

**Career Development**

Career Development is a continued service offered to the graduates of Hodges University during their entire lives. Resume writing, interviewing techniques, job search strategies and image consulting are a few of the services offered. Students are encouraged to remain in contact with the career development office in order to take advantage of these benefits and services. While we cannot guarantee placement, Hodges University will attempt to assist the graduate with job opportunities.

It keeps the alumni informed of news of the University, updates, alumni news and programs, meetings and profiles of alumni successes. Please keep the Alumni Association updated of any address and employment changes, professional accomplishments, and general alumni news so you may receive this newsletter and possibly be included in the publications or profiled on the social network. Contact us at alumni@hodges.edu. A current email address is important for alumni contact and receipt of alumni information. Also, please remember to contact the Registrar’s Office to update directory information such as: email address, home address, or phone number.

Alumni Events and Opportunities

Throughout the academic year, the Alumni Association will hold meetings announced through the alumni newsletter and postings on the Hodges University Alumni Association network. All graduates are encouraged to attend and participate as plans are made for events, programs, club and organizational meetings, as well as news of alumni services.
The gatherings offer an excellent opportunity for networking and visiting with other Hodges University alumni.

**Alumni and the Alma Mater**

Your alma mater, Hodges University, wishes to maintain a positive relationship with its graduates and strongly supports the development of a proactive Alumni Association.
